

Signs Of Hypoglycemia

- Check Blood Sugar
If you are at 70 mg/dl or less..
- Drink $\frac{1}{2}$ cup juice (Apple, Orange)
or $\frac{1}{2}$ cup or 4 oz. regular soda
Take...
 - 1 small box of raisins
 - 3 glucose tablets
 - 1 cup of milk
 - 1 tablespoon of honey
 - 1 tablespoon of sugar
 - 5 small sugar cubes
- Check Blood Sugar In 15 minutes
If blood sugar still less than 70 mg/dl
repeat the above.
- If symptoms don't resolve call your
doctor.
